

ODYSSEY®
eFileCA™

A Single e-Filing Portal Across Multiple California Courts

Odyssey® eFileCA™ enables attorneys to automatically file documents across multiple California courts in real-time, from anywhere — 24-hours a day, seven days a week. This highly automated system provides attorneys the opportunity to transition from an inefficient, paper-based process to a streamlined, Web-based e-filing system. Odyssey eFileCA reduces the cost and manpower needed to print, copy, store, deliver and file legal documents, resulting in increased efficiencies and productivity, and allowing attorneys more time to focus on other critical tasks.

Powerful Features

Streamline filing processes and reduce reliance on paper with the eFileCA solution that provides:

- Instant access to electronically filed and stamped copies of documents once approved by the court saves time and costs
- 24-hour filing, seven days a week eliminates the need to go to court, stand in line or process paperwork
- Access to electronically filed case documents and electronic filings via one centralized location in the system
- Electronically serve all interested parties in the case and receive online tracking information via email provides fast and easy verification
- Easily generate an audit trail as well as logs and reports that represent your firm's filings, and sort reports based on primary parties, date range and document type
- Pay statutory court fees online and generate relevant financial reports based upon case type, date range and primary parties
- Receive optional status notifications by email for filings submitted, filings accepted, filings rejected, service undeliverable, and/or filing submission failed
- Submit multiple documents in one envelope, eliminating the need for separate submissions for each pleading
- Send required preliminary and/or courtesy copies instantly
- Eliminate printing, copying, packaging and delivery of paper documents
