Superior Court of California, County of Calaveras Celebrates Juror Appreciation Week

The Superior Court of California, County of Calaveras, proudly joins the nation in celebrating **Juror Appreciation Week, May 4-8, 2026.**

In 1998, the California Legislature passed a special resolution to recognize jurors during Juror Appreciation Week. The purpose is to acknowledge, honor, and celebrate the important contributions of citizens who devote their time and effort to “making the cherished right of trial by jury a reality and to raise awareness about their contribution to our courts.” It is also intended to encourage “all citizens to support the jury system and appear when summoned for service, thereby fulfilling this most important civic responsibility shared by every member of a democracy.”

Every year, thousands of citizens take time away from their other commitments, families, and jobs, to serve as jurors. It is a tradition established by our constitution more than 200 years ago and is a fundamental part of our democracy.

The Superior Court of California, County of Calaveras, together with the Judicial Council of California, is proud to recognize the millions of Californians who answer the call to serve their communities through jury service. There is simply no substitute for the vital role jurors play in our justice system. Through their service, disputes continue to be resolved in a court of law, ensuring the protections and rights guaranteed by our Constitution.

We extend our sincere appreciation to all current and past jurors for their invaluable service.
